

### Code Enforcement/Negative Image of the North shore

Universal Garbage Collection

Illegal dumping

Abandoned vehicles and RVs

Code enforcement issues

Empty storefronts

Dilapidated docks

Dilapidated houses/shabbiness/outdoor storage on Hwy 20/Blight

Feral cats, abandoned animals

Refresh community signage

### Public Safety Issues

Lack of law enforcement

Illegal cannabis/drugs as well as legal

Off-road vehicle - illegal usage

Homelessness/vagrancy/squatters

Vandalism/crime

### Transportation/Traffic

Traffic issues on Hwy 20

Evacuation routes

Speeding vehicles and big rigs/truck rerouting off Hwy 20; traffic calming

Local road quality, potholes (non-Hwy 20)

Safer crosswalks/pedestrian sidewalks and bike lanes

### Social Issues

Protection of our vulnerable - children, seniors, disabled, disadvantaged

Establish regional resiliency centers: warming and cooling centers, communications, gathering places, information/community centers during emergencies

### Environmental Issues

Quality of lake

Weed abatement

Paper subdivisions - Enact the PaperSub plan;

Tree preservation

Sediment runoff/illegal grading

### Working with local government

Unified approach to the Shoreline and Upper Lake/Lucerne Area Plans

Understanding of how the county departments work/getting MACs/communities involved with the planning process in the early stages/

### Local Economy and Businesses

Redevelopment of a tourist-based economy along the Northshore

Development of a planning document that would allow MACs to obtain grant funding

Increased signage promoting Lake County at pullouts on Hwy 20

Establish areas of Hwy 20 as a scenic corridor.  
Preservation of the viewshed  
Regional Events  
More support for locally owned businesses/limit box stores  
Increased broadband/internet/cell phone services  
Short Term Rental Ordinance/Less Air BnB

---

"..new suggestions from our meeting to include in the subtopics:

VIP mobile vet services for the north shore (Feral cats, abandoned animals)  
Rent control/Senior Mobile Home Parks and corporations  
Lake Pillsbury and local economy  
Residential address issues and public safety/emergency response  
Possible additions to the geothermal setback to address scenic issue"
