RE: Carol Logan Resignation

I want to thank all of you for my years of service to GRCSO.

Please see my written notice that I am resigning effective 8/25/2023. I gave verbal notice to Larry on 8/3/2023.

I am sadly resigning as I feel that my work is done at GRCSO. I have employment that is in better alignment with my vast accounting experience and my tried and true business best practices. Also my employment now is more in align with my expectations of management leadership.

I am confident that I have trained Heather so that she will be able to take over my position seamlessly. I will continue training Heather as a consultant to insure her success especially for the financial audit in October, 2023.

I hope you will give consideration to have Heather attend the Certified Clerk of the Board Training in November 2023. That will be a tremendous asset for GRCSO and give her further training to be successful at GRCSO.

Again I am very grateful that you have allowed me to be of service for over 3 years at the GRCSO.

I wish you all well with the success of GRCSO.

Respectively,
