Re: Correction of Plumas County Meadow Valley Cemetery District Boundaries

Anna Marie,

I am writing to request a correction of the Meadow Valley Cemetery District Boundaries based on the original formation documentation from 1924.

Meadow Valley Cemetery District was formed in 1924. It appears that the existing BOE records on the boundaries for the District do not match the original boundary description included in the formation resolution. It appears that in 1985, this was brought to the BOE's attention, but was never rectified. I am attaching here a copy of MVCD's original formation resolution from 1924, the attached legal description to the formation resolution, a certification from 1924 of the resolution copy, and the 1985 letter to the Board of Equalization. Please correct the BOE's records to appropriately reflect MVCD's boundaries at formation.

Please let me know if anything is further necessary to get this processed. Thank you for your attention in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jennifer Stephenson', is written over a large, light-colored oval shape.
