This training will be provided by John Kenny, Lassen Legal Counsel, and is designed for Special Districts, Local Government Boards and Staff within Lassen County. It will be at no cost to local agencies.

Local elected officials and some public agency employees in California are required to receive at least two hours of training, every two years, in general ethics principles and ethics laws relevant to their public service. This session will cover the Brown Act, the Public Records Act, conflicts of interest and general ethics principles, and will satisfy AB 1234 training requirements for this year.

RSVPs are not mandatory but appreciated for planning. We look forward to seeing you. Please sign in at the session and certificates will either be mailed or emailed after the training to those that attend.

If you have any questions please do not hesitate to email Jennifer Stephenson, LAFCo Executive Officer, at jennifer@pcateam.com.
