Re: Letter of Interest – City Council Member Appointment

Dear Mayor and Council Members,

I am writing to express my sincere interest in being considered for appointment to the Isleton City Council. My name is Terri Hupfer, and I have been a proud resident of Isleton for more than six years. I currently live at 205 Delta Avenue, and I am deeply committed to making Isleton my home for the rest of my life.

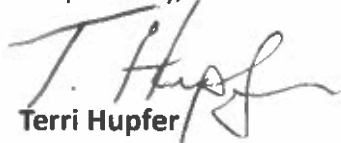

As a semi-retired Nurse Practitioner, I bring with me decades of experience in critical decision-making, problem-solving, and service to others—qualities that I believe are essential for public service, particularly during this precarious time for our city. In my current volunteer roles as Treasurer and Volunteer Coordinator, I have gained valuable perspective on both the challenges and opportunities we face as a community.

I believe strongly in making the best decisions possible for the residents of Isleton. I am aware of the significant financial, operational, and governance challenges before us, and I would welcome the opportunity to collaborate with my fellow council members, city staff, and the public to develop a path forward that restores stability and builds trust.

It would be an honor to continue serving Isleton in this new capacity, and I am ready to contribute my energy, experience, and dedication to the betterment of our community.

Thank you for your consideration of my application. I look forward to the possibility of working alongside you to shape a stronger future for our city.

Respectfully,
