Amendment 3 to the Consulting Agreement

This Amendment 3 ("Amendment") is hereby entered into effect as of October 21, 2025 and amends provisions of the Consulting Agreement (the "Agreement") held between Wisewood Energy ("Consultant") and Indian Valley Community Services District ("IVCSD" or "Client"), which was made effective as of June 20, 2023.

I. Amendment to the Agreement

The entire remaining project scope of work is hereby replaced with the attached scope of work dated 10/21/25, including budget amounts, work activities, deliverables, and other associated details. No changes are to be made to amounts previously billed. The purpose of this Amendment is to reflect an updated desire on the part of IVCSD to wrap up all project activities that are in progress and stop new work, due to factors such as leadership changes within IVCSD and new constraints on available funding.

II. Other Terms of the Agreement

Except as set forth in this Amendment, the Agreement is unaffected and shall continue in full force and effect in accordance with its terms. The parties reaffirm all representations, warranties, and covenants in the Agreement. If there is conflict between this Amendment and the Agreement or any earlier amendment, the terms of this Amendment will prevail.
