Craig,

I completely understand on pricing. I attached a plain PVC wreath with bow. I have roughly 950 of these in house right now. I can do \$9.00 plus freight on this option. Please let me know what you think and if you would like a sample.

Thank you,

Hi Jeremy,

Thank you for sending over the pictures, they are beautiful wreaths!

We would be just looking for the basic green wreath with red ribbon bow.

I see your cost is more than what Home Depot charges for there basic wreath, plus Home Depot was working on a Discount for us as well. I'm afraid my board will not go for the price of these and will have to run by them. I will keep you posted.

Kind Regards,

Craig Forrey
