# City Manager Report

12/10/2025

## General Updates

### Gulling Street Bridge

- Request made to Caltrans on 10/08/2025 to perform an underwater dive inspection and any pertinent inspections post riprap placement
- 10/15/2025: As-built documents provided to Caltrans as requested
- Follow up made to Caltrans on 10/28/2025 for the anticipated schedule for inspection(s).
  - Staff are waiting for confirmation from Caltrans
- **Phase 2- Structural Rehabilitation Funding (Caltrans Highway Bridge Program):**
  - Caltrans has confirmed City has met Caltrans deadline of 11/30/2025
  - **Caltrans Next Steps:**
    - HBP Managers review applications and prioritize
    - 2026 Winter/Spring: List is compiled on bridges programmed into the program
    - City can request a meeting with HBP Managers after the list is published to discuss available options
    - Caltrans has indicated that they believe the bridge should be a “fairly high priority”
  - Engineering team is exploring additional funding streams to increase available options for this project
    - Caltrans provided the City with a letter of support for our potential application to the United States Department of Transportation (USDOT) Bridge Investment Program for preliminary engineering

## Code Enforcement

### 140 Third Street

- Case is extremely nuanced with legal actions occurring outside of the purview of the City but alongside City code enforcement activities
- Substantial progress has been made in addressing compliance issues since access to the property was returned to the owner in November
- Staff have given the owner until 12/25/2025 to bring the property to compliance
- Next Steps: If compliance is not achieved by the deadline, Staff will present a prepared report and resolution to be considered by the Council to declare the property a public nuisance and potentially consider abatement
