1.4. Updates. As part of the Services, PAYSTAR will make all updates, bug fixes, and minor enhancements to the Platform (collectively, “Updates”) available to Agency that, in each case, are made available by PAYSTAR at no additional charge to its other customers. PAYSTAR shall have the right to make such Updates to the Platform from time to time at its discretion, so long as they do not result in a material degradation to the functionality of

the Platform. All references to the Platform hereunder shall be deemed to include such Updates.

1.5. Upgrades. PAYSTAR may, from time to time, offer to Agency those enhancements, improvements, developments, new versions, new releases and other changes of or to the Platform that it makes generally available to its other customers for a separate fee or an increase to its then-current fees (“Upgrades”). In such case, PAYSTAR will provide Agency with written notice thereof, which notice will include (i) a description of the subject Upgrade, (ii) the Fees or changes to the then-current Fees that is required in connection with the subject Upgrade, and (iii) any changes or additions to the terms of this Agreement that would be required in connection with the subject Upgrade. Following such notice, Agency shall have a reasonable opportunity to review the contents thereof and inform PAYSTAR whether it desires to accept the subject Upgrade and its related Fees and changes, or to forego receiving the same. All references to the Platform hereunder shall be deemed to include any such Upgrades that are accepted by Agency.
