

Education, Chester Public Utility District

1-26-2026

If you cannot make the ethics and sexual harassment webinars, you can do them on demand, but I am going to ask that you take them before the February Board meeting so they are complete and we are on schedule.

Please let me know if you can't attend the following webinars otherwise I will sign you up:

Webinars- Classes the Board is required to take every other year:

- Ethics: February 3rd 10 am to 12 pm (*Allan Homme, Kim Green, Steve Voboril need to complete this class*)
- Sexual Harassment: February 4th 10 am to 12 pm (*Cheryl Johnson, Kelly Sanders, Steve Voboril, Allan Homme, 2 new appointees need to complete sexual harassment*)
- Financial Management (required and only offered by webinar or in person. Must have it completed by July 1st 2026)- March 4th 1 pm to 3 pm
(*All supervisors and Board members must complete this class*)

There are a lot of great classes offered on csda.net. Please go and see if there's any others that you want to take **or want me to take.**

In Person:

- The big conferences are all in Southern California this year. I'm bummed about that. I wanted to go to the Tahoe conference again.
- Spring education days in Sacramento March 18th,
- Legislative days in Sacramento April 7th to 8th

Other classes I am interested in:

On demand webinar- How to build a better multi year strategic approach

On demand webinar- Board member and District liability issues 2025

Webinar- Blue ribbon leadership March 10th 10 am to 11 am

Webinar- Fraud prevention tools that keep the district funds secure April 14th 10 am to 11 am

Webinar- Securing your greatness in the eyes of the public September 8th 10 am to 11 am
