RE: Shoreline Communities Area Plan

BACKGROUND:

The CeRTH received the following request from Michelle Irace, the Principal Planner for the Community Development Commission.

"The County is beginning the exciting journey of updating all eight local area plans (in addition to the General Plan). We are hoping to schedule a kickoff for the Shoreline Communities Area Plan at a special CeRTH meeting on Tuesday, April 9th if possible. We would like to also combine the meeting with EaRTH attendees, as the Shoreline plan includes both communities. CDD Staff and the planning consultant, PlaceWorks, would provide an overview presentation, answer any questions folks may have and seek public input about the plan update. We anticipate that 2 hours will be ample time. Please let me know if that is something that can be accommodated, or if you have any questions."

EXECUTIVE SUMMARY:

The CeRTH is being asked to confirm whether or not it can host a Joint Meeting with EARTH on April 9, 2024, to receive information from CDD and Placeworks regarding the Shoreline Communities Area Plan that's being updated in addition to the General Plan.

RECOMMENDATION:

Approve the Request for a Joint Meeting to be held on April 9th, 2024, at 6PM in the Lucerne Alpine Senior Center.
