Dear Mr. Pew,

Thank you for your recent proposal to Lassen Lodge #149 [Masons] regarding the property owned by the Lodge at 105 Mill St [aka 204 Main St] (APN 110061013) in Greenville. At the September 5<sup>th</sup>, 2023 Stated Meeting of the Lodge, properly noticed to the membership of the Lodge, your proposal and a request for a Letter of Intent was approved on a unanimous vote of the Lodge to make the above referenced property available for the project being proposed.

The action is conditioned on eventually receiving written approval from our Grand Lodge Property Committee. In preliminary discussion with the Grand Lodge Property Committee, they seemed inclined to support the concept of your proposal. The lodge is following up that communication with them, but for the purpose of your grant application, this letter is being issued as a Letter of Intent to support your application.

While your grant is being considered, the Lodge will continue to work with the Grand Lodge committee to sort out what needs to be done on our end to make the property available. Your proposal fits the vision our Lodge has for the future use of our property in the eventual re-building of Greenville, especially the portion that recounts and preserves the history of the Lodge and Masonry in Indian Valley for more than 165 years.

Thank you for your service,

JIM CHAPMAN, PM
