Board of Directors
Grizzly Ranch Community Services District
4456 Grizzly Road
Portola, California 96122

Dear Board Members,

California law requires all board members of local districts to be registered voters within the district they serve. I therefore am required, by law, to resign my position as a Member of the Board of Directors of the Grizzly Ranch Community Services District effective April 15th, 2023.

I am proud of the accomplishments our local district has achieved since it was formed in 2016 and consider my tenure on the Grizzly Ranch Community Services District Board of Directors to have been a valuable and rewarding experience. I also consider it an honor to have worked with the members of the district board and its employees and value the relationships that have been formed as a result.

Finally, I wish the district continued success in the future.

Respectfully,

A handwritten signature in black ink that reads "James Miller". The signature is written in a cursive, flowing style.

James Miller
President, Board of Directors
Grizzly Ranch Community Services District

Cc: General Manager, Grizzly Ranch Community Services District
