RECORDS ACCESS AND RETENTION

Policy

The Board of Directors has adopted a policy on Public Inspection and Access to Records and the Public Access to Information Returns described earlier in the Section on Government Returns. The Commission is subject to the California Public Records Act. All requests must be submitted in writing to the Executive Director. Records related to pending litigation and personnel, medical, or similar files which would constitute an invasion of personal privacy are examples of records that are exempted from disclosure.

The Commission will maintain the original financial records, supporting documents, statistical records, and other documents according to the contract and grant conditions. The Commission retains records as required by law and destroys them when appropriate. The destruction of financial records must be approved by the Fiscal Supervisor.

As a general guideline, all financial records will be retained for five years. In the event of litigation or a dispute, this period will be extended.

Payroll timesheets will be retained for seven years, along with payroll records such as W-2s, 941s and EDD reports. However, personnel files need to be held for three years after termination.

Real property and equipment acquired with Federal grant funds must be retained for three years beyond the date of disposition.

The formal records retention policy of the Commission is as follows:

Audit reports Bank reconciliations Bank Statements Cancelled Checks Contracts, mortgages, notes and leases: Expired Still in effect Correspondence: General Legal and important matters only Routine with customers and/or vendors Deeds, mortgages and bills of sales Duplicate deposit slips Employment applications Financial statements: Year end Other Garnishments General ledgers/year end trial balance and subsidiary ledgers
