

Nakoma firewise - Website

The Nakoma firewise web page is currently inside the CSD website. <https://www.gmcscd.org/firewise-community>.

An update is suggested.

Removing - video address from Carey ('President CSD')
Minutes and certificate from 2022
Reference to Gold mountain firewise Facebook page

Adding - links to 'grants for seniors'
' Go bag contents
Evacuation check lists
Websites / apps for communication in evacuation
Free home inspections
Help with disposing of Pine needles
Videos from the Gold complex fire
Call for more volunteers

It is proposed that the updated website. (using google.sites) be stand alone for ease of editing and regular updates.
It can be linked through to from both the CSD and HOA websites.
<https://sites.google.com/view/nakoma-firewise/home>

Approval is sought from the board to update the website with a link though.
