

RESOLUTION 2025-001

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE WHITE MOUNTAIN FIRE PROTECTION DISTRICT IN SUPPORT OF

The Benton Fire Station Emergency Services Project

WHEREAS, The mission of the White Mountain Fire Protection District is to provide the highest level of service, within our means, in fire mitigation, fire prevention, emergency medical assistance, as well as community service and education, to the residents of our district and all others who request our assistance. To achieve this, we dedicate ourselves to proper planning, quality training, compassionate care and community spirit; and

WHEREAS, The health and safety of the district volunteers is the district's primary concern; and

WHEREAS, The secure and efficient storage of district equipment and resources is vital to ongoing operations; and

WHEREAS, The current facilities are deemed insufficient and inadequate for safe, secure operations of the district;

NOW, THEREFORE, BE IT RESOLVED, The White Mountain Fire Protection District will pursue any and all means available to provide funding for the construction of a modern, safe, secure fire station for the purpose of strengthening the mission of the White Mountain Fire Protection District.

ADOPTED this 19TH DAY OF MARCH, 2025 AT MONO COUNTY CALIFORNIA BY A UNANIMOUS
VOTE OF THE BOARD

Jarret Phillips, Chair
White Mountain Fire Protection District
